

# Chapter 1: The Beautiful Path

Theme: To recognize that we are on a journey and being led by God.  
What is your journey?

**Praise:** How have you seen this Deliverer God who directs our paths in your life? In what ways can you bring Him praise?

**Mirror:** God used the story of the Israelites to show the world that He is a God who delivers His people from slavery. He also shows that He is a God who has a plan that has a path that might not look like the path we would choose. How is God using your story to show His nature of love and deliverance to the world?
