

Chapter 4: Called by Name

Theme: To recognize that God has called us by name for His righteous purposes.

How is God calling you by name today?

How do you personally connect with the meaning of your name?

What is God asking you to step toward?

How do you not connect with the meaning of your name?

Remember, Moses knew his identity long before God called him by name. How is God asking you to wait on His timing to fulfill what He has in store for you?
