

## Chapter 5: Laying Down the Serpent

**Theme: Letting go of how we view ourselves to live according to how God made us.**

**Read: Exodus  
4:1-4**

**When have you experienced God leading you to let go of something?**

**How has God led you back to a very similar situation? How have the results differed?**

Feeling stuck? Consider the following questions...

- What situation has wounded you deeply?
- What situations have embarrassed you?
- What situations have caused you guilt and shame?
- What are you drawn toward but hesitant to pursue?
