

## Chapter 8: The Glorious Tabernacle

**Theme: God dwells with us, and we can  
experience His Glory in any situation.**

### **Praise:**

How have you experienced the Glory of God?  
How have you come to understand the fear of  
the Lord? How can you bring Him praise?

In what ways am I too comfortable?

In what ways am I uncomfortably moving  
forward in faith?

How am I resting and abiding in God?

How am I choosing to be stationary and comfortable, although God is calling me  
to move?

How am I moving, although God is calling me to be still and know that He is God?
